

**Plain Language Summary for New Source Review (NSR) Renewal Certification
Application for Air New Source Review Permit Number 78096L001**

The following summary is provided for this pending air permit application being reviewed by the Texas Commission on Environmental Quality as required by 30 Texas Administrative Code Chapter 39. The information provided in this summary may change during the technical review of the application and are not federal enforceable representations of the permit application.

Ingram Concrete, LLC (CN603378241) has submitted an application for renewal of permit number 78096L001. The sand and gravel plant (RN104895081) is located at 4989 N FM 199, Cleburne, Somervell County.

This renewal will authorize the continued operation of a sand and gravel plant. Ingram Concrete, LLC has certified that there will be no changes to the permit. The following permitted emission rates will remain the same.

Pollutant	Proposed Emissions (tons per year)
PM	5.91
PM ₁₀	2.83
PM _{2.5}	2.83

The facilities being renewed continue to be controlled by water sprays. Plant roads, active work areas, and stockpiles are watered as necessary.
