

**Plain Language Summary for New Source Review (NSR) Renewal  
Application for Air New Source Review Permit Number 75642L001**

*The following summary is provided for this pending air permit application being reviewed by the Texas Commission on Environmental Quality as required by 30 Texas Administrative Code Chapter 39. The information provided in this summary may change during the technical review of the application and are not federal enforceable representations of the permit application.*

Miller Springs Materials, LLC (CN603811746) has submitted an application for renewal of permit number 75642L001. The rock crushing plant (RN104411871) produces/manufactures crushed limestone at 6218 N Highway 317, Belton, Bell County.

This renewal will authorize the continued operation of limestone crushing and distribution. Miller Springs Materials, LLC has listed in the application the pollutants and amounts that will be emitted for each facility. Below is the total amount for each pollutant that is proposed to be emitted each year for all the facilities.

| <b>Pollutant</b> | <b>Proposed Emissions (tons per year)</b> |
|------------------|-------------------------------------------|
| <b>PM</b>        | <b>3.767</b>                              |
| <b>PM10</b>      | <b>1.348</b>                              |
| <b>PM2.5</b>     | <b>0.199</b>                              |

The facilities being renewed continue to be controlled by water sprays and the use of wet material.
