

Plain Language Summary for New Source Review (NSR)
Application for Air New Source Review Permit Number 177542L001

The following summary is provided for this pending air permit application being reviewed by the Texas Commission on Environmental Quality as required by 30 Texas Administrative Code Chapter 39. The information provided in this summary may change during the technical review of the application and are not federal enforceable representations of the permit application.

New Stout Excavating Group, LLC (CN605667583) has submitted an application for issuance of permit number 177542L001. The rock crusher (RN111783627) produces crushed rock at 3693 Farm-to-Market 186, Carrizo Springs, Dimmit County.

This issuance will authorize the continued operation of a rock crushing plant. New Stout Excavating Group, LLC has listed in the application the pollutants and amounts that will be emitted for each facility. Below is the total amount for each pollutant that is proposed to be emitted each year for all the facilities.

Pollutant	Proposed Emissions (Tons Per Year)
PM	26.38
PM ₁₀	9.94
PM _{2.5}	1.50

The facilities being issued continue to be controlled by water sprays. Stockpiles are watered to control dust.
