

**Plain Language Summary for New Source Review (NSR) Renewal Certification
Application for Air New Source Review Permit Number 79369**

The following summary is provided for this pending air permit application being reviewed by the Texas Commission on Environmental Quality as required by 30 Texas Administrative Code Chapter 39. The information provided in this summary may change during the technical review of the application and are not federal enforceable representations of the permit application.

Coastal Plating Company (CN600275903) has submitted an application for renewal of permit number 79369. The Coastal Plating site (RN100565225) produces/manufactures hard chrome crankshafts and other industrial products at 5317 Leopard Street, Corpus Christi, Nueces County.

This renewal will authorize the continued operation of Coastal Plating's Leopard Street Site. Coastal Plating has certified there will be no changes to the permit. The following permitted emission rates will remain the same.

Pollutant	Total Amount Allowed (tons per year)
Chromium	0.03847
PM	2.8569
NaOH	0.005
VOC	0.13
NOx	0.36
SO2	0.01
CO	0.31

The facility being renewed continues to be controlled by a dust collector.
