

Plain Language Summary for New Source Review (NSR) Initial Application for Air New Source Review Permit Number [TBD]

The following summary is provided for this pending air permit application being reviewed by the Texas Commission on Environmental Quality as required by 30 Texas Administrative Code Chapter 39. The information provided in this summary may change during the technical review of the application and are not federal enforceable representations of the permit application.

Strickland Plumbing, HVAC, & Electric, Inc. (CN606122208) has submitted an application for initial permit number [TBD]. The Strickland Plumbing, HVAC, & Electric, Inc. - Septic Division Facility (RN112377049) will produce/manufacture concrete products at 4182 E State Highway 103, Lufkin, Angelina County.

This permit will authorize construction of a permanent Concrete Batch Plant. Strickland Plumbing, HVAC, & Electric, Inc. has listed in the application the pollutants and amounts that will be emitted for each facility. Below is the total amount for each pollutant that is proposed to be emitted each year for all the facilities.

Pollutant	Proposed Emissions (tons per year)
PM	0.013
PM10	0.007
PM2.5	0.001

The new facilities will be controlled by a dust collector, partial enclosures, and handling of pre-washed and wet material.
