

**Plain Language Summary for New Source Review (NSR) Renewal Certification
Application for Air New Source Review Permit Number 75930L001**

The following summary is provided for this pending air permit application being reviewed by the Texas Commission on Environmental Quality as required by 30 Texas Administrative Code Chapter 39. The information provided in this summary may change during the technical review of the application and are not federal enforceable representations of the permit application.

Texas Materials Group, Inc. (CN600317473) has submitted an application for renewal of permit number 75930L001. The SAND AND GRAVEL PLANT 1 (RN104606587) processes aggregate material via crushing and screening at 8811 Hergotz Lane Austin, Travis County, Texas 78742.

This renewal will authorize the continued operation of the aggregate processing facility. Texas Materials Group, Inc. has certified there will be no changes to the permit. The following permitted emission rates will remain the same.

Pollutant	Total Amount Allowed (Tons Per Year)
PM	3.75
PM10	1.78
PM2.5	0.29
NOx	0
SO2	0
VOC	0
CO	0

The emissions from the facility being renewed will continue to be controlled by the use of water sprays and the watering of roads, traffic areas, active work areas, and aggregate stockpiles.
