

**Plain Language Summary for New Source Review (NSR) Renewal Certification
Application for Air New Source Review Permit Number 28319**

The following summary is provided for this pending air permit application being reviewed by the Texas Commission on Environmental Quality as required by 30 Texas Administrative Code Chapter 39. The information provided in this summary may change during the technical review of the application and are not federal enforceable representations of the permit application.

Gulf Copper LLC (CN606423655) has submitted an application for Renewal of Permit Number 28319. The Gulf Copper LLC Galveston location (RN100214840) paints and sandblasts at 2920 Todd Road, Galveston, Texas 77554.

This renewal will authorize the continued operation of the concrete products plant. Gulf Copper LLC has certified there will be no changes to the permit. The following permitted emission rates will remain the same.

Pollutants	Total Amount Allowed (Tons Per Year)
Particulate Matter	34.94
Particulate Matter with diameter smaller than 10 microns	4.11
VOCs	24.5

The facilities being renewed continue to be controlled by fabric filter baghouses, venting to a central filtered baghouse, enclosure of mixing activities in a building, watering of unpaved roads, stockpile watering, and the use of pipeline quality natural gas.
