

**Plain Language Summary for New Source Review (NSR) Renewal Certification
Application for Air New Source Review Permit Number 138493L001**

The following summary is provided for this pending air permit application being reviewed by the Texas Commission on Environmental Quality as required by 30 Texas Administrative Code Chapter 39. The information provided in this summary may change during the technical review of the application and are not federal enforceable representations of the permit application.

Alleyton Resource Company, LLC (CN604538801) has submitted an application for renewal of permit number 138493L001. The Vox Sand & Gravel Plant (RN109013037) produces sand and gravel located at 6440 Highway 71, Garwood, Colorado County.

This renewal will authorize the continued operation of the sand and gravel plant. Alleyton Resource Company, LLC has certified there will be no changes to the permit. The following permitted emission rates will remain the same.

Pollutant	Total Amount Allowed (tons per year)
PM	1.53
PM ₁₀	0.63
PM _{2.5}	0.10

Except where saturated, submerged, enclosed, or processing washed material, the subject facility will have permanently mounted spray bars installed at the crushers, shaker screens and at all material transfer points. In-plant roads, active work areas that are associated with the operation of this facility, and stockpiles shall be watered as necessary to minimize dust emissions.
