

**Plain Language Summary for New Source Review (NSR) Initial  
Application for Air New Source Review Permit Number 183538**

*The following summary is provided for this pending air permit application being reviewed by the Texas Commission on Environmental Quality as required by 30 Texas Administrative Code Chapter 39. The information provided in this summary may change during the technical review of the application and are not federal enforceable representations of the permit application.*

Turner Materials LLC (CN606381853) has submitted an application for initial permit number 183538. The Turner Materials (RN112187893) will produce/manufacture Aggregate Production Operations at 100 Thistle Circle, Paradise, Wise County.

This permit will authorize *Turner Materials LLC to conduct Aggregate Production Operations*. Turner Materials has listed in the application the pollutants and amounts that will be emitted for each facility. Below is the total amount for each pollutant that is proposed to be emitted each year for all the facilities.

| Pollutant | Proposed Emissions (tons per year) |
|-----------|------------------------------------|
| PM10      | 174.89                             |
| VOC       | 0.45                               |
| NOx       | 5.58                               |
| PM2.5     | 30.08                              |
| CO        | 1.202                              |

The new facilities will be controlled by watering the haul roads and stock piles.
