

**Plain Language Summary for New Source Review (NSR) Renewal Certification
Application for Air New Source Review Permit Number 20986**

The following summary is provided for this pending air permit application being reviewed by the Texas Commission on Environmental Quality as required by 30 Texas Administrative Code Chapter 39. The information provided in this summary may change during the technical review of the application and are not federal enforceable representations of the permit application.

Smyrna Ready Mix Concrete, LLC (CN 605629245) has submitted an application for renewal of permit number 20986. The SRM Haskell Plant (RN101300606) produces concrete at 175 Business US Hwy 277 South, Haskell County.

This renewal will authorize the continued operation of a concrete batch plant. Smyrna Ready Mix Concrete, LLC has certified there will be no changes to the permit. The following permitted emission rates will remain the same.

Pollutant	Total Amount Allowed (tons per year)
PM10	6.2

The facilities being renewed continue to be controlled by silo top baghouses and a water fog ring to control cement and flyash dust. Roads and stockpiles are watered to control dust.
