

**Plain Language Summary for New Source Review (NSR) Initial
Application for Air New Source Review Permit Number 183662**

The following summary is provided for this pending air permit application being reviewed by the Texas Commission on Environmental Quality as required by 30 Texas Administrative Code Chapter 39. The information provided in this summary may change during the technical review of the application and are not federal enforceable representations of the permit application.

Webco Industries, Inc. (CN601051030) has submitted an application for initial permit number 183662. Webco Industries Texas Distribution (RN104558317) will produce finished metal tubing at 750 Martin Luther King Dr, Orange, Orange County.

This permit will authorize steel tubing distribution facility coating operations. Webco Industries, Inc. has listed in the application the pollutants and amounts that will be emitted for each facility. Below is the total amount for each pollutant that is proposed to be emitted each year for all the facilities.

Pollutant	Proposed Emissions (tons per year)
Volatile Organic Compounds (VOC)	0.23

The new facilities will be controlled by usage of coating material.
