

**Plain Language Summary for New Source Review (NSR) Renewal Certification
Application for Air New Source Review Permit Number 4950**

The following summary is provided for this pending air permit application being reviewed by the Texas Commission on Environmental Quality as required by 30 Texas Administrative Code Chapter 39. The information provided in this summary may change during the technical review of the application and are not federal enforceable representations of the permit application.

Delek Marketing & Supply, LP (CN603169509) has submitted an application for renewal of permit number 4950. The Delek Abilene Terminal (RN105192736) receives, stores, and distributes a variety of petroleum liquids at 8050 Private Road 314, Abilene, Jones County.

This renewal will authorize the continued operation of the Delek Abilene Terminal. Delek Marketing & Supply, LP has certified there will be no changes to the permit. The following permitted emission rates will remain the same.

Pollutant	Total Amount Allowed (tons per year)
VOC	66.64
NO _x	1.72
CO	6.85

The facilities being renewed continue to be controlled by proper equipment design and operation including floating roof tanks with seal systems, submerged loading, use of a combustion control device, utilization of good combustion practices, and implementation of a leak detection and repair program.
