

**Plain Language Summary for New Source Review (NSR) Initial  
Application for Air New Source Review Permit Number 184098**

*The following summary is provided for this pending air permit application being reviewed by the Texas Commission on Environmental Quality as required by 30 Texas Administrative Code Chapter 39. The information provided in this summary may change during the technical review of the application and are not federal enforceable representations of the permit application.*

Lhoist North America of Texas, LLC (CN605752088) has submitted an application for initial permit number 184098. The Arcola Terminal (RN104316864) unloads, stores, slakes, and loads lime at 5710 County Line Road, Arcola, Fort Bend County.

This permit will authorize the lime unloading, storage, and loading facilities. Lhoist North America of Texas, LLC has listed in the application the pollutants and amounts that will be emitted for each facility. Below is the total amount for each pollutant that is proposed to be emitted each year for all the facilities.

| <b>Pollutant</b> | <b>Proposed Emissions<br/>(tons per year)</b> |
|------------------|-----------------------------------------------|
| PM               | 0.06                                          |
|                  | 0.04                                          |
|                  | 0.02                                          |

The new facilities will be controlled by dust collectors, enclosures, and/or water.
