

**Plain Language Summary for New Source Review (NSR) Renewal
Application for Air New Source Review Permit Number 139772L001**

The following summary is provided for this pending air permit application being reviewed by the Texas Commission on Environmental Quality as required by 30 Texas Administrative Code Chapter 39. The information provided in this summary may change during the technical review of the application and are not federal enforceable representations of the permit application.

Smyrna Ready Mix Concrete, LLC (CN605629245) has submitted an application for renewal of permit number 139772L001. The SRM Princeton Plant (RN109157685) produces/manufactures ready mix concrete at 1134 FM 982, Princeton, Collin County.

This renewal will authorize the continued operation of the ready mix concrete batch plant. Smyrna Ready Mix Concrete, LLC has listed in the application the pollutants and amounts that will be emitted for each facility. Below is the total amount for each pollutant that is proposed to be emitted each year for all the facilities.

Pollutant	Proposed Emissions (tons per year)
PM	6.64
PM10	2.77
PM2.5	1.14

The facilities being renewed continue to be controlled by using a combination of silo-top dust collectors, central dust collectors, watering and production limits.
