

**Plain Language Summary for New Source Review (NSR) Renewal
Application for Air New Source Review Permit Number 55250**

The following summary is provided for this pending air permit application being reviewed by the Texas Commission on Environmental Quality as required by 30 Texas Administrative Code Chapter 39. The information provided in this summary may change during the technical review of the application and are not federal enforceable representations of the permit application.

John B. Sanfilippo & Son, Inc. CN601485196 has submitted an application for renewal of permit number 55250. The Food Processing Facility RN102907995 manufactures nut-based food products at 16435 Interstate Highway 35 North, Selma, Guadalupe County, Texas 78154.

This renewal will authorize the continued operation of the existing food processing facility, which includes roasting, packaging, and related processes. John B. Sanfilippo & Son, Inc. has listed in the application the pollutants and amounts that will be emitted for each facility. Below is the total amount for each pollutant that is proposed to be emitted each year for all the facilities.

Pollutant	Proposed Emissions (tons per year)
VOC	0.29
PM	28.34
PM ₁₀	22.49
PM _{2.5}	22.49
NO _x	5.51
CO	4.61
SO ₂	0.11

The facilities being renewed continue to be controlled by existing air pollution control systems such as filtration and ventilation systems designed to minimize emissions.
